Choose from our three accurate measuring techniques to help you pick the right size.

The String Test

- Cut a small piece of string, thread or ribbon from a spool.
- MEASURE: Wrap it snugly around your finger for an accurate measurement.
- DETERMINE: Compare your measurement with our sizing chart.
- Tip: Be careful not to wrap the string too tight. Aim for a comfortable, snug fit.
- Tip: For the most accuracy, have someone help you measure.
- CHECK: Double check for accuracy.

The Secret Test

- Print our chart of ring size circles.
- Find a ring that your loved one currently wears.
- Make sure he or she wears that ring on the finger you are shopping for.
- MEASURE: Place the ring on top of each circle until you find a perfect match.
- DETERMINE: The match should perfectly fit the inside on the ring.
- CHECK: Double check for accuracy.
